

# Evidencing the Impact of the Primary PE and Sport Premium

Website Reporting Tool  
Revised October 2018

Commissioned by  
Department for Education

Created by

YOUTH  
SPORT  
TRUST

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, Sport and Physical Activity (PESPA) they offer. This means that you should use the Primary PE and Sport Premium to:

- Develop or add to the PESPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit [gov.uk](http://gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend. Under the [Ofsted Schools Inspection Framework](#), inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively [governors](#) hold them to account for this.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment by the end of the summer term or by **31 July 2019** at the latest.

We recommend regularly updating the table and publishing it on your website throughout the year, as evidence of your ongoing review into how you are using the money to secure maximum, sustainable impact. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<p>Government guidelines of increasing children's physical activity to at least 30 minutes over a school day have been implemented across the school.</p> <p>There has been a raised awareness of the importance of physical activity and health and well-being to staff, children and parents.</p> <p>There has been an offering of a wider range of extra-curricular clubs across the school.</p> <p>80.65% of children now take part in a lunch time club once a week for 6/7 weeks compared to 53% last year.</p> <p>Play leader has provided structured playtime opportunities at lunchtimes to all children to encourage them to be physically "active". Benefits include the development of core motor skills, fitness and mental well-being as well as increased social integration.</p> <p>265 children took part in a sponsored active session with Olympic gymnast Kristian Thomas and raised 1870.00 which went towards new sports equipment for the playground. Kristian Thomas also led an assembly to discuss the importance of physical activity and engagement in different sports.</p> <p>Children have access to a broader range of playground activities with permanent better quality features to create more sustainable physical activity at lunch times.</p> <p>New PE curriculum and assessment system has been created and has been shared with teaching staff to be implemented in September.</p> <p>2019/20 – the picture so far</p>	<p>To broaden the range of playground activities with permanent better quality features to create more sustainable physical activity during morning play times - Arrange play leader training to members of lunchtime staff</p> <p>To increase physical activity for pupils who are inactive or disengaged from physical activity during lunch times - teachers to choose target children and ensure they are accessing play leader and playground activities 3 times a week.</p> <p>To increase confidence, knowledge and skills of all staff in teaching PE and sport</p> <p>To continue to develop the assessment system for PE - monitor teacher's evidence of assessment to date and give feedback staff meetings.</p> <p>To provide KS1 children with a broader experience of a range of physical activities outside of school.</p>

<p>PE curriculum and assessment training has increased confidence, knowledge and skills of EYFS and KS1 staff in teaching and assessing PE and sport.</p> <p>As of September all teaching staff are using the new PE curriculum breakdown of skills to inform planning, teaching and progression.</p> <p>Teaching staff are beginning to evidence and track children's progress through photos and videos.</p>	
--	--

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p> <p><b>N.B.</b> Even though your children may swim in another year please report on their attainment on leaving primary school.</p>	n/a
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?</p>	n/a
<p>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</p>	n/a
<p>Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?</p>	n/a

## Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for students today and for the future.

<b>Academic Year:</b> 2019/20	<b>Total fund allocated:</b> £ Total funding: £16400 (16000 plus £10 x 40 KS1 Pupil Premium children)	<b>Date Updated:</b>		
<b>Key indicator 1:</b> The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school				Percentage of total allocation: %
School focus with clarity on intended <b>impact on pupils:</b>	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
To provide adult-led activities/games outside to ensure children are getting extra physical activity during the school day.	Lunch time play leader 5 times per week.	£9500 - £50 per session 5 times a week  <b>Total Premier Education costing for the year £13,082.50</b>	<b>49.22 % of children access the play leader group at least twice over a four week period.</b>  Gives children an extra 30 minutes extra structured physical activity.  Provides children with fun/challenging games which develops children's confidence, social skills and other key skills e.g. agility, aiming, balance, flexibility, speed etc.  Children are fully engaged in the sessions and enjoy working in a team and also competing against one another (see children's views sheet).  Sessions have given children ideas on how to be more active at home.  Weekly certificates have been awarded to children in assemblies which has given children a sense of	To increase the % of children who access the play leader group at least twice a week over a four week period to 80%.  Target classes monitored by PE coordinator to ensure children are taking part.  Class teachers and Luke to continue to follow up with the children the reasons why they need to attend and nominate a session for them to do so.  Weekly certificates to be awarded more frequently to children in assemblies which will give children a sense of achievement and encourage others to take part more independently.

			<p>achievement.</p> <p>Play leader now gives class lists back to teachers each week allowing them to target children who are not independently accessing the sessions.</p>	<p>PE coordinator to monitor new playground activities during lunchtimes.</p> <p>PE coordinator to liaise with teaching staff termly in order to create a target group of children who are inactive or disengaged in physical activity to attend sessions.</p> <p>Play leader training for lunchtime staff.</p>
<p>To increase physical activity during the school day.</p> <p>To encourage and inspire children to take part in a range of sports.</p> <p>To promote school sport across the school.</p>	A range of lunch time clubs	<p>£2082.50</p> <p>Total Premier Education costing for the year £13,082.50</p>	<p><b>100% of children have been allocated 3 clubs this year.</b></p> <p><b>Impact - sample of 5 lunchtime clubs from Autumn term 2019</b></p> <p><b>80.92% of children take part in lunch time clubs</b></p> <p>Has provided children with a range of physical activities/games, giving them the opportunity to improve key skills.</p> <p>Inspired children to engage in a range of different sports.</p> <p>Increased opportunities for skill development linked to learning in PE lessons.</p> <p>Clubs have encouraged children to adopt a healthy and active lifestyle through playing sport and other activities.</p>	<p>Class teachers and outside agencies register children at the start of the club to highlight children who may not be attending.</p> <p>Teaching staff/sports coaches to collect children from classes or remind teachers every lunch time to ensure all children are attending clubs.</p> <p>SEND children to attend clubs with their LSA for a shorter period of time.</p> <p>Stickers given during clubs for achievements e.g. resilience, personal best, working well in a team etc.</p>

			<p>Clubs have developed children's confidence and social skills (mixing with peers from other classes/year groups).</p> <p>Clubs have also developed children's resilience and attitude towards competition.</p>	
To increase children's physical activity during the school day.	Wake and shake - Senior lunchtime supervisor 15 mins per day	£500	<p><b>Monitoring:</b> PE lead found approximately 2/3 of children were engaged during wake and shake.</p> <p>Lunchtime staff now monitor children's participation and choose 6 children every lunchtime to be 'Wake and Shake' stars.</p> <p>Develops children's core movement skills and encourages good physical development.</p> <p>Gives children ideas/routines they can practise at home (see children's views sheet)</p> <p>Improved co-ordination (gross motor skills then impacting on fine motor skills)</p> <p>Improved rhythm and timing</p> <p>Children are given stickers as rewards for participation.</p> <p>Target children are chosen to perform on stage to boost confidence and self-</p>	School council to think of ideas on how to engage all children during 'Wake and shake'

			esteem.	
<p>To increase children's physical activity in the classroom.</p> <p>To ensure children and parents are aware of the new government guidelines.</p> <p>To promote physical activity at home</p>	PE Co-ordinator (TLR)	£2796	<p><b>Snapshot: 90% of children taking part in brain break activities in the classroom.</b></p> <p><b>Active Monitoring (April 2019)</b> There is some evidence of extra physical activity taking place during the school day on KS1 staffs weekly timetables.</p> <p><b>KS1 are now planning one Maths of the day lesson per week however this isn't always clearly shown in medium term planning in Year One.</b></p> <p><b>Parent workshops - Last year - 65 out of 269 (24%) of parents attended workshops.</b></p> <p><b>February 2019 - 62 out of 179 (35%) KS1 parents attending active/health workshops</b></p> <p><b>Active homework - Spring 2019</b> 114 out of 360 (31.67%) children took part in active homework.</p> <p><b>Active monitoring: July 2019</b> There is some evidence of extra physical activity taking place during the school day on EYFS staffs weekly timetables and lots on KS1 timetable.</p> <p><b>EYFS and KS1 are now planning one</b></p>	<p>For all staff to show extra physical activity (including play times) on their weekly timetables by highlighting it green and emphasising the duration.</p> <p>EYFS and KS1 to continue to ensure at least one active maths lesson is taught per week and this is clearly shown in medium term planning.</p> <p>To increase parent participation to 60%.</p> <p>To increase the number of children taking part in active homework to 60%.</p>

		<p>Maths of the day lesson per week and there is evidence of this in medium term planning in Year One and Two.</p> <p>73 out of 137 (53.28%) EYFS parents attended active stay and play workshops.</p> <p>69 out of 179 (38.55%) KS1 parents attended active stay and play workshops.</p> <p>Healthy resources/initiatives continued for children/parents to become more aware of the new government scheme e.g. change for life posters, letters to parents, healthy workshops with parents, active competitions termly with prizes etc. Children have begun to make healthier choices at home and at school as a result e.g. asking for water instead of juice, asking parents for a healthy desert, looking at drinks labels during tuck time to check for green etc.</p> <p>Whole school approaches include weekly water challenges, active brain breaks, active maths/Literacy, 5 a day/fitness videos daily in classrooms.</p>	
--	--	--	--

<p><b>Key indicator 2:</b> The profile of PESSPA being raised across the school as a tool for whole school improvement</p>	<p>Percentage of total allocation:</p>
	<p style="text-align: center;">%</p>

School focus with clarity on intended <b>impact on pupils</b> :	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
<p>To increase physical activity during the school day.</p> <p>To encourage and inspire children to take part in a range of sports.</p> <p>To promote school sport across the school.</p>	<p>A range of lunch time clubs</p>	<p>£2082.50</p> <p><b>Total Premier Education costing for the year £13,082.50</b></p>	<p><b>100% of children have been allocated 3 clubs this year.</b></p> <p><b>Impact - sample of 5 lunchtime clubs from Autumn term 2019</b></p> <p><b>80.92% of children take part in lunch time clubs</b></p> <p>Has provided children with a range of physical activities/games, giving them the opportunity to improve key skills.</p> <p>Inspired children to engage in a range of different sports.</p> <p>Increased opportunities for skill development linked to learning in PE lessons.</p> <p>Clubs have encouraged children to adopt a healthy and active lifestyle through playing sport and other activities.</p> <p>Clubs have developed children's confidence and social skills (mixing with peers from other classes/year groups).</p> <p>Clubs have also developed children's resilience and attitude towards competition.</p>	<p>Class teachers and outside agencies register children at the start of the club to highlight children who may not be attending.</p> <p>Teaching staff/sports coaches to collect children from classes or remind teachers every lunch time to ensure all children are attending clubs.</p> <p>SEND children to attend clubs with their LSA for a shorter period of time.</p> <p>Stickers given during clubs for achievements e.g. resilience, personal best, working well in a team etc.</p>

<p>To raise the profile of physical activity and health and well-being across the school.</p> <p>To inform parents aware of the new government guidelines for physical activity and health.</p>	<p>Streetly Network</p>	<p>£500</p>	<p><b>Last year - 65 out of 269 (24%) of parents attended workshops.</b></p> <p><b>February 2019 - 62 out of 179 (35%) KS1 parents attending active/health workshops.</b></p> <p>Healthy workshops has made pupils and parents aware of the governments obesity strategy and gave parents ideas on how to be more 'food smart' at home through free Change4Life apps.</p> <p>Workshops highlighted how much sugar, saturated fat and salt is found in everyday food and drink that their children consume.</p> <p>Workshops promoted Change4Life free apps which encourage families to choose healthier options by scanning the barcode of products allowing parents to compare brands, and features food detective activities for children and mini missions the whole family can enjoy.</p> <p>Staff training - Streetly gave a staff meeting around PE curriculum and assessment which gave staff a better understanding and also supported SLT to devise new PE milestones/assessment and breakdown of skills.</p> <p>Staff surveys were given out to highlight areas for development to inform future training.</p>	<p>To increase parent participation to 60%.</p> <p>To arrange parent training for Year One in order to continue to develop their knowledge and understanding around health and fitness.</p>
---	-------------------------	-------------	--	---

			<p>As of September all teaching staff are using the new PE curriculum breakdown of skills to inform planning, teaching and progression.</p> <p>Teaching staff are beginning to evidence and track children's progress through photos and videos.</p>	
To give KS1 children a broader range of experiences in sports/physical activities outside of school.	<p>Trips booked for June:  Year Two - Go Ape  Year One - Conkers  KS1 - SEN. D - SNAP</p>	<p>Trips -  £1704.10  Coaches -  £1530  Total -  £3,234</p>		

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport				Percentage of total allocation:
				%
