We can...we will...together!

Dear Parents/Carers,

The children in Reception will be visiting *Botanical Gardens Birmingham*, as part of their topic on "At the Bottom of the Garden" on **Friday 22nd May 2026**.

During their day, children will take part in a workshop about Animal Handling. We will take a look at a range of exotic animals and learn about their habitats and how the animals adapt to their environments.

The children will leave school at approximately 9:15am and will be back at school for normal home time.

The amount required for this visit to take place will be **£19.00 payable via School Gateway App**. We understand that this is a lot of money for some families. This year, we will be offering the option to make a contribution of an amount of your choice via *School Gateway*, or you can choose to pay the full amount in instalments.

All children will need a packed lunch on the day, in a backpack to carry with them. For safety reasons, all drinks should be in a non-breakable container. Please dress children in school uniform tops as this makes them easily identifiable, and bottoms of your choice with comfortable footwear.

We would be grateful if you would return the tear-off slip to school as soon as possible.

Yours sincerely,

Mrs D Naffati
(Headteacher)
