Dear Parents/Carers,

The Year One children will be visiting Sea Life Centre Birmingham on **Friday 19th June 2026** as part of their topic focusing on 'Over Land and Sea.' During their day, children will take part in a workshop about Marine Habitats.

The children will leave school at approximately 9:15am and will be back at school for normal home time.

The amount required for this visit to take place will be **£23.00**.

We understand that this is a lot of money for some families. This year, we will be offering the option to make a contribution of an amount of your choice via School Gateway, or you can choose to pay the full amount in instalments.

All children will need a packed lunch on the day preferably in a backpack. For safety reasons, drinks should be in a non-breakable container. If you wish to pre-order a school lunch, please complete the attached form and return it with your consent slip.

Please dress children in school uniform tops, as this makes them easily identifiable, and bottoms of your choice. Please ensure that they have suitable footwear as they will do a lot of walking.

We hope you will be able to support us in this valuable educational project and would be grateful if you would return the tear-off slip to school as soon as possible.

Yours sincerely,

Mrs D Naffati
