

### A message from Mrs Naffati

I hope you all had a super half term break. As we quickly approach the end of the school year, we have many events to look forward to! Year 2 will be leaving us next month and they have made us all extremely proud this year. We are going to be so sad to see them leave at the end of the year and school will not be the same without them all! As all of our children prepare to move to their next classes there will be lots of transition sessions both in our school and across to New Invention Learning Academy as well. Children currently in our Nursery, Reception and Year 1 will be re-organised into new classes in readiness for their next year group with lots of transition time too.

As parents and families of our community I would like to thank every family who has supported school in a variety of ways across the year.

- Thank you for - ensuring your child's attendance is as high as it can be
- Thank you for - being open and honest with school and engaging in tough conversations
- Thank you for - reflecting our high standards of behaviour and supporting your child and our school to do this
- Thank you for - practising reading at home with your child
- Thank you for - coming into school to be a part of lessons and celebrations
- Thank you for - being a friendly and supportive family who are happy to work with staff for the best possible outcomes for your child academically and as a future super New Invention citizen!

Being a Headteacher is a very challenging job and quite honestly without the amazing children and support from all our families and staff it would be impossible. Enjoy the sunshine whenever we get it everyone!

### School community news - Incredible Fundraising

We have had an incredible response to both of our big fundraising events this year so far - our Book Challenge raised over £2000 for our classes and our Summer Fair last week raised more than £500 towards our Bouncy Castle for sensory activities and fundraising events. A huge thank you to all the families members who have contributed to this success - we always have an amazing turn-out and thanks again for your support!

### Forthcoming events

Date	Event
