Happy New Year

New Invention

We can...we will...together!

A message from Mrs Naffati

I hope you all had a lovely, happy and healthy Christmas and new year. I would like to thank everyone who came to support us at Holy Trinity Church in December, at our performances in school and at our Christmas Fair without our families support we cannot make all the wonderful memories for your children. Look forward to seeing you all tomorrow!

Parent Workshops

Over the next few months there will be lots of opportunities for you to come into school to be involved in your child's learning. This is a wonderful opportunity for you to see the curriculum in action, to see how different lessons are taught and lots of different approaches we use to help your child to learn. We understand that some parents have other commitments but would encourage other family members; nan, grandad, auntie, uncle, child minder to come instead if you cannot.

Keeping Warm

As the weather is sooo cold at the moment please ensure your child is wrapped up for winter - hat, scarf, gloves, warm coat - ALL named - we may not be able to return lost items to you if they are not named. Children will still be going outside for playtimes (and Early Years for outdoor learning) even in the cold - but for shorter periods of time.

Attendance

As always we know that winter germs are circulating and little children do not find first time germs and illnesses easy - whilst we appreciate and accept this we also need to educate and this can't be done effectively if a child is not in school. As you have noticed all office staff will and do challenge attendance, but also give whatever advice they can too - whilst we are not doctors or pharmacists they can give common sense advice and know the latest advice from training and updates we are given.

Sickness and Diarrhoea

We are changing our school policy in line with many other Walsall schools:-

Just sickness - 24 hours clear

Just diarrhoea (this is not just a loose poo it is liquid poo) - 24 hours clear

Sickness and diarrhoea combined - 48 hours clear

Toddlers

Our Toddler group numbers are quite low at the moment - we do not want to close this service so if you or anyone you know locally (they do not need to have children in our school) would like to come along we would appreciate the numbers - we have reduced the price to £2 - for this you get a child's snack and drink and an adult drink. We meet on Tuesdays at 9am-10.15am in the school hall.
